Subject: **Letter of Equipment Approval**

November 10, 2009

To: Newlyme (Division of Sigmapi Systems Limited)
37-39 George Street
Newcastle under Lyme
ST5 1JU
UK

Dear Sir/Madam:

The application of equipment approval for **Newlyme ArcticLynx RT8 v2.0 Temperature Recorder** was reviewed by the Treatment Quality Assurance Unit. The **Newlyme ArcticLynx RT8 v2.0 Temperature Recorder** meets the requirements of the PPQ Treatment Manual and is now approved.

Any proposed change in the approved equipment must be authorized by TQAU.

Treatment Quality Assurance Unit
